

Attention Junior Golfers

Begin spring by coming out to the KCC Golf Shop and join the Junior Golf Certification Program. The Program will consist of three levels and be comprised of a written test followed by a playing portion with one of the Golf Professionals. Each level that is accomplished will allow playing privileges and extra incentives for each junior golfer. In addition to that, juniors will be able to play at KCC without parental guidance. Our goal is to improve not only junior's skills on the golf course but their knowledge about the game of golf and how to have proper etiquette while on club property.

KCC Junior Certification System
